

EMPLOYEE OF THE MONTH FEBRUARY

Well Done Katie & Simon!

02
MAR
2021

KATIE HOWELL

- ✓ Katie is like a breath of fresh air, as she is always positive, upbeat and supportive, and she passes that feel-good factor across to her colleagues via all the extra curricular activities she organises and the teams channels she maintains
- ✓ During these difficult times Katie is doing so much to rebuild the team spirit and encourage everyone to get involved on work related and out of hours activities which all help to improve morale.
- ✓ Katie has gone the extra mile, giving lots of time and effort to bring us all together and create a team spirit in these difficult times - organising quiz nights on a Friday night, positive emails, positive news letter and all the while struggling a little with lockdown like the rest of us!

THIS MONTH'S VALUE IS:

Team Spirit & Generosity

"Together, we build solutions to overcome challenges and share successes"

SIMON HARTIGAN

- ✓ Simon has taken time to help the apprentices and trainees whilst also getting approval to work a Friday in the office if anybody, such as the apprentices who are in college one day a week, needs it.
- ✓ Simon shows endless support and guidance to the young engineers and to the projects in which he is involved.
- ✓ Simon has shown great tuition skills for delivering training to apprentices and working along with them.

THIS MONTH'S VALUE IS:

Team Spirit & Generosity

"Together, we build solutions to overcome challenges and share successes"

Here at North West Projects, we wanted to help showcase the excellent work that our employees are doing and have therefore introduced an employee of the month scheme. We have given all our employees the opportunity to vote for their fellow colleagues, based on one of our company values. This months value will be:

Team Spirit and Generosity: Together, we build solutions to overcome challenges and share successes.

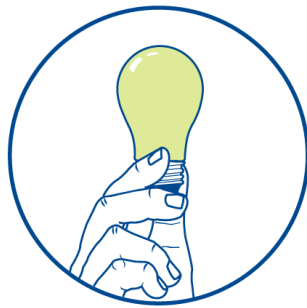

We are delighted to announce the winners are Katie Howell (Communications) & Simon Hartigan (Mechanical Engineer)! Congratulations to you both for demonstrating Team Spirit and Generosity! We really are a community of incredible people! Come back next month to find out who will be the winner of March Employee of the Month, based on the value; Innovation & Entrepreneurship. See below our values:

Integrity & Responsibility

"Doing the right thing for each other, our customers and the environment"

Innovation & Entrepreneurship

"Think like it's your customers, act like it's your own business"

Team Spirit & Generosity

"Together, we build solutions to overcome challenges and share successes"

Trust & Empowerment

"We trust and empower each other to continuously strive and achieve our full potential"
