EMPLOYEE OF THE MONTH MARCH

We are delighted to announce the winners of this months' Employee of the Month award..

Innovation & Entrepreneurship

*"Think like it's your customers,
act like it's your own business"*

Innovation & Entrepreneurship

"Think like it's your customers, act like it's your own business"

We are delighted to announce that this months' winners are Brian Berry (Chief Engineer) and Fabio Seri (Principal Engineer)! Congratulations to you both for demonstrating Innovation & Entrepreneurship! We really are a community of incredible people! Next Months Employee of the Month will be based on Integrity & Responsibility. See below our values and come back next month to find out who the winner is!

Integrity & Responsibility

"Doing the right thing for each other, our customers and the environment"

Innovation & Entrepreneurship

"Think like it's your customers, act like it's your own business"

Team Spirit & Generosity

"Together, we build solutions to overcome challenges and share successes"

Trust & Empowerment

"We trust and empower each other to continuously strive and achieve our full potential"
