## JOIN THE TEAM

## CAREERS

On the back of winning and mobilising for some major schemes of work, we are currently recruiting for the following roles:

- ✓ Mechanical Engineers
- ✓ CE&I Engineers
- ✓ Process Engineers
- ✓ HVAC Engineers

If you are interested in any of the above roles, or wish to send your CV in for any future opportunities we may have, please contact our internal recruiter at the following email address: [careers@northwestprojects.co.uk](mailto:careers@northwestprojects.co.uk)

We are actively looking to find Apprentices and Graduates to join our team this September and work towards a degree level qualification in the below disciplines:

- ✓ Mechanical Engineering
- ✓ Electrical Engineering

For more information about our apprenticeship & Graduate scheme, please email: [HR@northwestprojects.co.uk](mailto:HR@northwestprojects.co.uk)
